

## **BARGAINING REPORT # 2**

### **Yellow Pages Group**

#### **Clerical and Associated**

Sisters and Brothers,

On September 13, 2010, the Union and the Company met to exchange bargaining demands and begin negotiations towards the renewal of your collective agreement.

Attached is a copy of the Union's demands as well as a copy of the Company's demands. If you have any questions about the Company's demands, please see your manager.

We have had discussion on several topics this week using our traditional style of bargaining as this style is specific and clear as to what your demands are.

The Bargaining Committee will not meet with the Company next week as it is the CEP National convention. Negotiations will continue the week of September 27<sup>th</sup>, 2010.

Your bargaining committee continues to be supported throughout negotiations by our Administrative Vice President Barb Dolan, National Director Laura Davis and your local President Dave Bosveld.

We will communicate throughout bargaining to keep you up to date on the progress.

Updates will be sent to your local as well as posted on the Ontario Region website at <http://www.cep.ca>.

In solidarity,

Your Bargaining Committee
