

Pay Equity Committee

Bell Canada - Clerical and Associated

Sisters and Brothers,

Over the course of the Pay Equity meetings, a number of issues have arisen.

To discuss these issues, a meeting was held on June 6th.

Attending the meeting were: Dave Coles, *President CEP*; Barb Dolan, *Administrative Vice President*; Wendy Sol, *Administrative Vice President*; Laura Davis, *National Director*; Line Brisson, *National Director* and Gisèle Pageau, *Director of Human Rights and Education*.

The objective of the meeting was to discuss these issues and the commitment of the 2009 collective agreement to ensure that Pay Equity has been maintained. Sister Pageau, who has experience with pay equity, has joined the committee in order to help and give additional support .

President Coles and Administrative Vice President Barb Dolan met with the Bell Clerical Local leadership to discuss this.

As further meetings of the Pay Equity committee are held, we will keep you up to date on the progress.

In solidarity,
