

Bargaining Bulletin

Dear Members,

This week, the committee met with the company in Toronto face to face. This is our third full week of bargaining. We continued discussions on teleworking, mental health and opened the conversation on reclassifications.

We continue to have meaningful conversation on the key issues that you, the members, have prioritized as our mandate for this round of negotiations.

You have our commitment that we will continue to work diligently to secure a fair contract for all members. Our next round of talks is scheduled for the week of April 18 in Montreal.

Thank you for your support and solidarity. Your bargaining committee will continue to communicate updates throughout the negotiations, including mobilization and solidarity actions in the coming weeks.

In solidarity,

Clerical and Associated Employees Bell Bargaining Committee
